Dear Phil, 4/21/85

Reur 17, I think I'd just mailed an envelope to you. But probably hadn't for a while.

Thanks for the copy. Ro se and I met briefly when he was passing through town and he gave me a copy.

The mall of mym walking therapy is just down the road from the motel in which he stayed. He met me there on his way home.

Nothing new here.

No word from ACLU lawyer, who hasn't even answered the questions I asked.

Best,

Harold
